Re: Orange County Clerk of the Court's Readiness to Receive Criminal Interface Filings

Dear Chairman Smith:

The Orange County Clerk of Courts has successfully completed Criminal Interface testing with the Offices of the State Attorney and Public Defender of the Ninth Judicial Circuit. As required by Florida Supreme Court Administrative Order 13-48, we are notifying the Florida Courts E-Filing Authority that we are ready to accept batch criminal filings on the live portal.

The date that electronic filing will become mandatory in all criminal divisions and juvenile dependency is Monday, December 23, 2013.

Sincerely yours,

Colleen M. Reilly
Interim Clerk of Court and Chief Administrative Officer
