---

The Florida Courts E-Filing Authority (the “Authority”) shall annually adopt a budget, which shall serve as its yearly operating plan. The annual budget may be amended as set forth herein.

The Treasurer of the Authority may approve budget amendments between budget line items, if no line item is increased or decreased by more than 20 percent of the original approved budget or \$50,000, whichever is greater.

At the next available Authority meeting, the Treasurer shall inform the Authority of any budget amendment so approved.

All other budget amendments shall require approval by the Authority.
